The FBMA International Show Jumping Cup

The FBMA International Show Jumping Cup (FBMASJ), is an international event that happens once every year. Rides from all around the world are participating in this event.

The whole family will be enjoying an activity zone accompanying the Cup. The family-friendly activities include equestrian inspired games and pony rides, all geared towards a fun day out that encourage children and youth to engage with horse-riding. Live music, food trucks, art displays and market stalls will also provide leisure and entertainment for all throughout the Cup.
